WE STAND UNITED IN OUR PRAYER WITH THE PEOPLE OF UKRAINE

Fourth Sunday of Advent (Year C)

It's only in this last week before Christmas that we begin to hear about the "Christmas story" itself. For the past weeks we have been preparing ourselves to greet the Lord, when he comes. Now we prepare to remember how he first came, by listening to the prophecies of his coming, and by hearing of the events before his birth. We meet the woman, Mary, who herself had been prepared for the coming of the Messiah. She has received the angel's greeting, and his strange news, and has accepted her role in God's plan. Now she hurries to her kinswoman, Elizabeth, who herself bears John the Baptist in her womb. John, just as we heard last week, alerts us to the presence of the Lord, as he leaps for joy in his mother's womb. His joy is that God has kept his promise, and is with his people.

A reflection for Christmas and the New Year

"The people that walked in darkness have seen a great light." The mystery of Christmas is this - a great revelation: a light in the darkness, a star through the night, the birth of the Sun of Justice; the showing to the whole world of the love of God, made visible in Jesus. No wonder there is a great throng of the heavenly host shattering the darkness of the cold night on the hillside outside Bethlehem - because the invisible night of sin and sadness is shattered by the light of the Saviour's birth. Christmas is a very emotive and (in a sense) romantic feast: many of the congregation over Christmas will come with childhood memories and their own idea of what Christmas is about. It is important that are aware of this, so that you can allow the deepest wonder of this season to penetrate through what sometimes are rather shallow thoughts about the mystery.

Remember it is not about "then" - this is about "now" and our salvation.
